NON-CONTROLLING      FINISH TO START      FINISH TO FINISH

This is WCCI's proposed Master Construction Schedule for the referenced project. Except for the contractual requirements, the start and finish dates and duration times for the items of work are approximations. They are estimates based upon presently known or represented conditions and any changes in those conditions will require a change in the schedule.

RUN DATE    17NOV88  
REVISION NO 0  
BASE DATE    28NOV88  
DATA DATE    28NOV88
